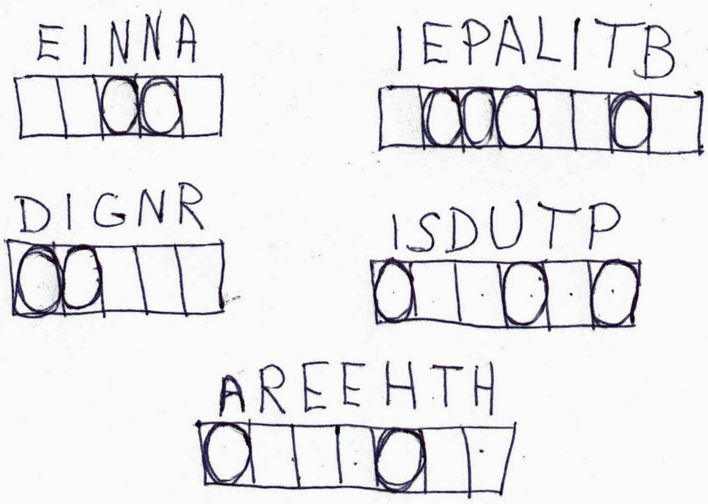
This Week's Eva's Scrumbles

Bagpipe Player Wanted



SCRUMBLE Instructions:

Each word is an anagram.
Unscramble the words, each letter to a square.
Unscrambled, the circled letters form the answer to the puzzle.

<Word Clues

Eva Guggenheim's "SCRUMBLES," while inspired by the traditional "Jumbles," differ in that the answers to her puzzles complete a phrase or a joke - a bit like a combination of a jumble and Wheel of Fortune - of her own creation. In addition, her puzzles are completely original, inspired by her surroundings, everyday circumstances, or in this case, by her hometown of Memphis, Tenn.
